TRANSITION WORDS (TIME ORDER WORDS)-page 262

*identify the order of the steps

*help carry the reader from one step to the next

*vary the transition words you use when you write

*Use different words, so your steps are not boring

*Use a variety of transitions to make your paragraph interesting

- After that,

- Afterward,

- Last,

- Later,

- First,

- Finally,

- Second,

- Soon,

- Next,

- Now,

- One day,

- At first,

- At last,

- Then,

- Third,
